

AUSTRALIAN
PRO BONO CENTRE

Establishing a point of
focus for pro bono action
and planning in each
country in the region

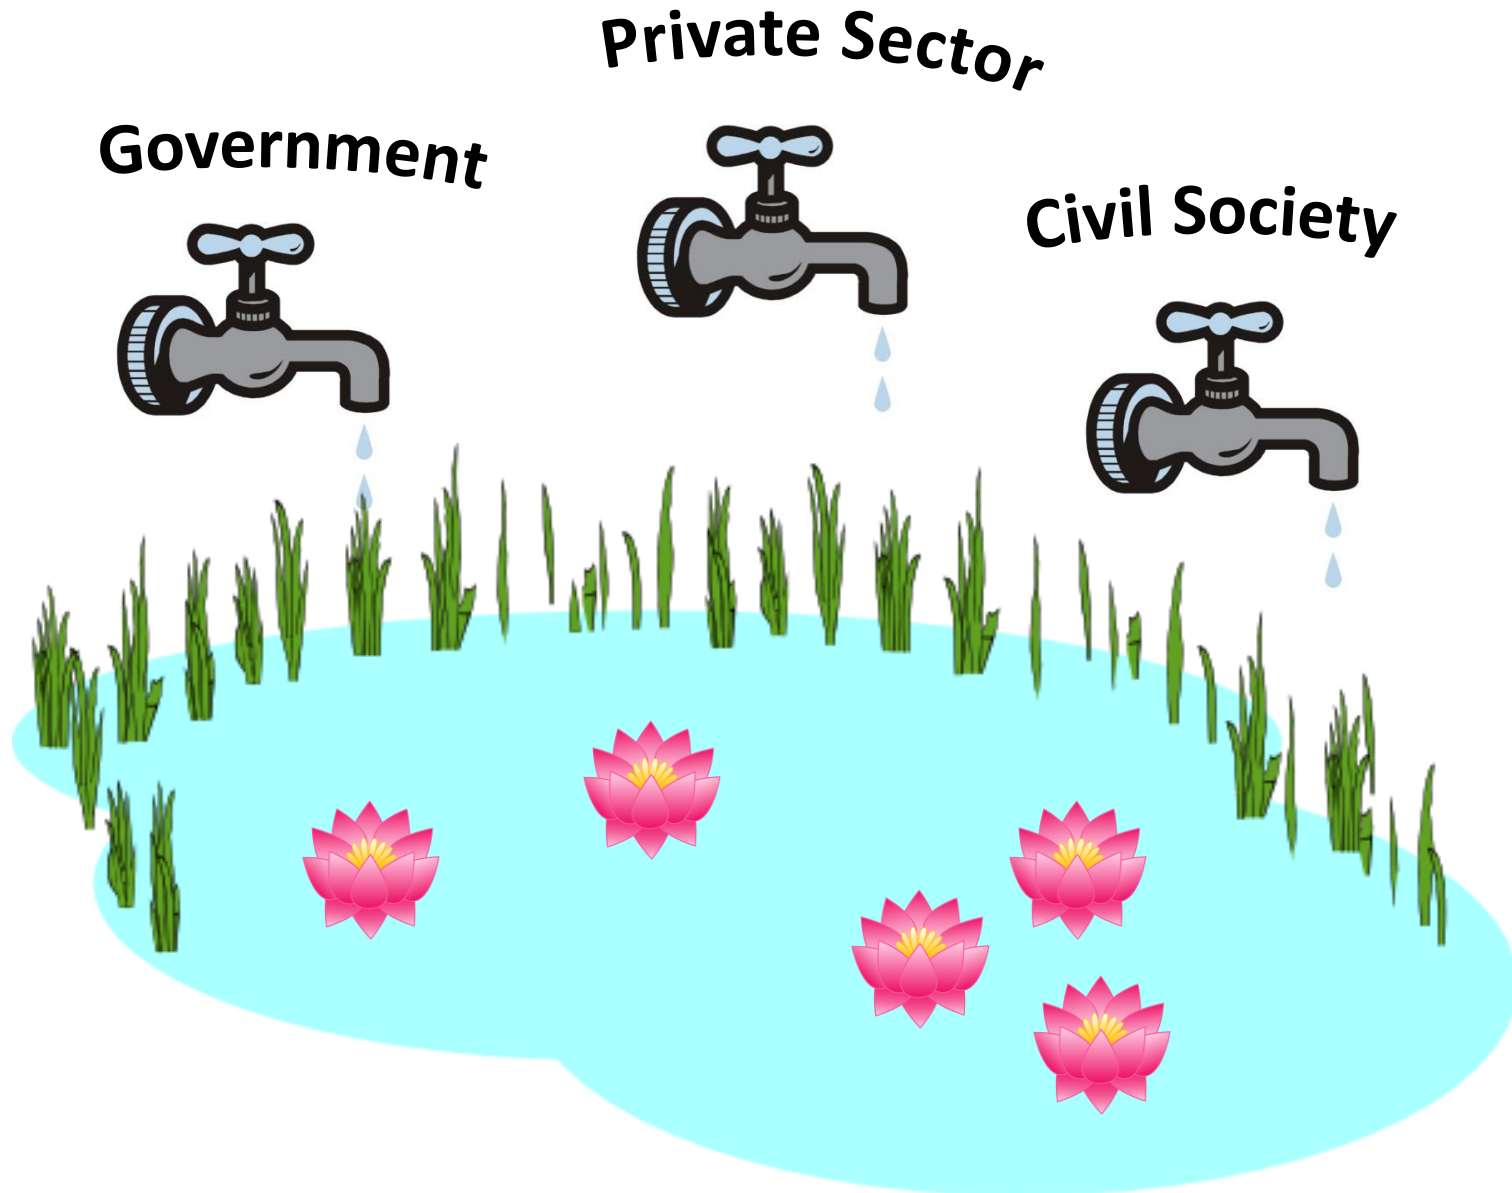

John Corker, Director, APBC

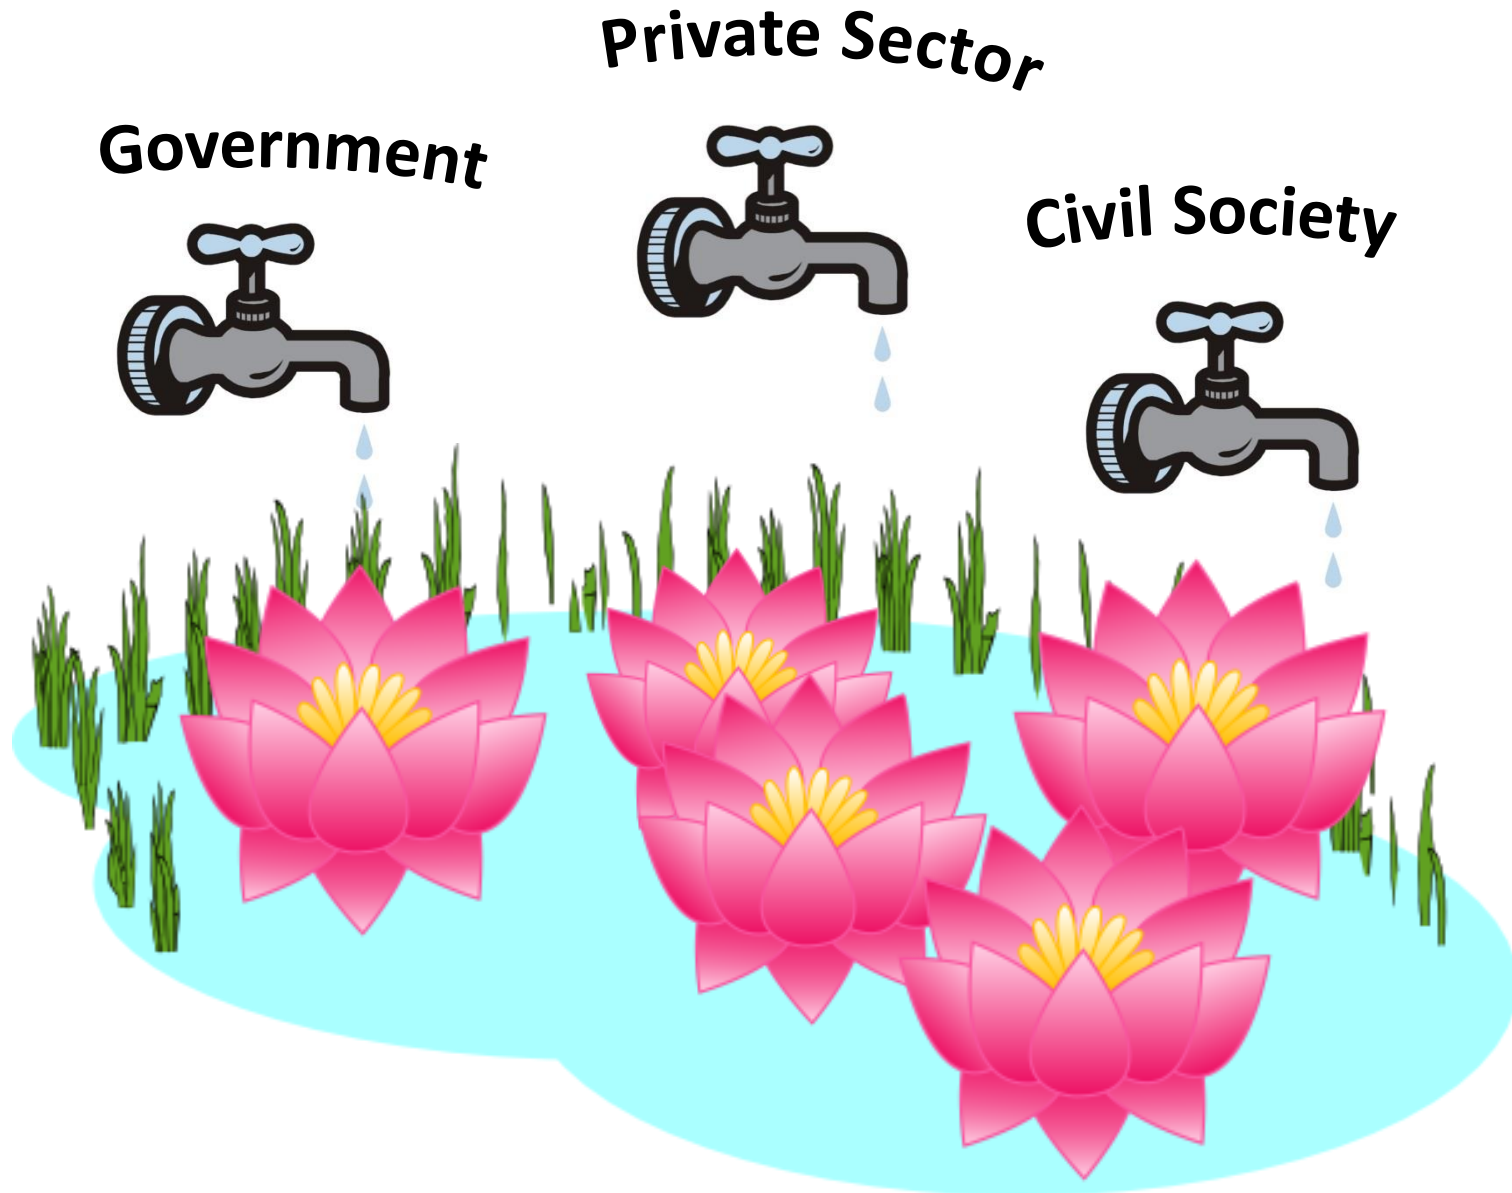

Points of Focus for Pro Bono in Australia

- Australian Pro Bono Centre
- Pro Bono Clearing Houses
- Law Society and Bar Pro Bono Referral Schemes
- Lawyers and law firms as pro bono providers
- Government

Legal Assistance Pond

Legal Assistance Pond

Why a point of focus is so important

- To provide coordination between interested persons
- To provide leadership in changing culture
- A place where citizens can seek assistance
- A place for collection of knowledge and expertise
- Brokering between pro bono seekers and providers
- Place for development of new initiatives and to drive policy
