

Asia Pro Bono Virtual Conference Introduction to TCLP

23 September 2021

The 
Chancery Lane
Project

What is The Chancery Lane Project?

A **pro bono** initiative that brings legal professionals together to collaborate and **rewrite contracts** and laws, in order to support communities and businesses in fighting climate change and **achieving net zero carbon emissions**.

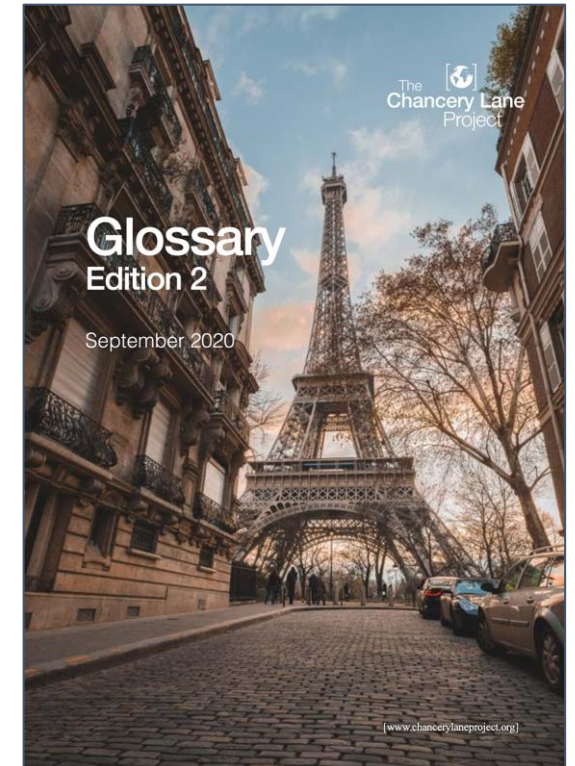

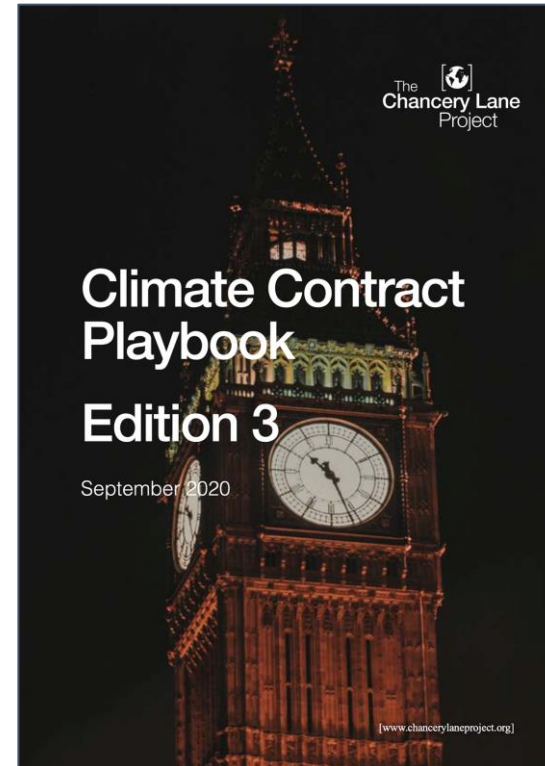

TCLP core principles

1. **Independent** of any professional body or practice.
2. **Politically neutral.**
3. Collaboration and **cross fertilisation** across sectors.
4. Clauses and model laws **free to use.**
5. Safe space to innovate as **drafting unattributable** to individual firms or lawyers.

TCLP resources

- >700 legal professionals collaborating
- >150 participating organisations
- 57,000 downloads of our model clauses

TCLP in 2021: COP 26 & Net Zero playbook

Chapters in line with COP 26 framework

- Land Use & Agriculture
- Human Settlements, Buildings and Infrastructure
- Finance and Financial Services
- Energy
- Transport
- Industry
- Oceans and Coastal Zones
- Water
- People

What can you do?

- Consider how you could start using TCLP clauses in your contracts?
- Support TCLP participants in implementation, especially around engagement with regulation and legislation.
- Sign up to our newsletter
- Encourage colleagues to participate
