FOURTEEN YEARS OF COLLECTIVE GROWTH

Since its beginning in **2012 in Vientiane, Laos**, the Asia Pro Bono Conference & Access to Justice Exchange (APBC & A2JX) has grown from a gathering of a hundred advocates into one of the **world's most inclusive and enduring pro bono movements**. Each year's host country contributes new dimensions of **learning, leadership, and sustainability**, transforming the event into a **continuing legacy of reform and renewal**.

From aspiration to institution — pro bono is now embedded in laws, education, and community outreach across Asia and beyond.
